witec

experts in life science products

Witec AG is pleased to announce that our products are now also available at reduced prices and without any additional costs if delivered once a week to the supply center. All registered DBMR users will see net prices in our webshop after log on.

1. New Users (not yet registered at Witec webshop)

- Please create a new account at <https://www.witec.ch/account/>
 - Please note in field "Company" **Universität Bern** and in the field "Department/Institute" **DBMR** and the name of your research group
 - If the delivery address is different from the billing address please activate the field "Delivery to another address" and fill in the additional form

Delivery address

Same as invoice address Delivery to another address
